<u>SUPPLEMENTAL INFORMATION FOR HEALTH & WELLNESS REVIEW</u>		
OPTIONAL	Please provide an email address or fax #. This information will reduce delays in the process if I need additional information. <hr/>	
➤ Please note a Master Plumber is required to pull permits on all commercial businesses.		

The following requirements must be met before a permit can be issued:

- Three compartment sink
- Waste tank 50% larger the freshwater tank
- Hand sink
- Hot and cold water under pressure
- Toilet facilities are to be available near the area of operation.
- Plans are approved by The Department of Public Health and Wellness and The State Plumbers
- Layout of equipment including: refrigeration units, cooking equipment (stoves, ovens, fryers, etc.), and steam tables for hot-holding
- Screening or air curtains to prevent entrance of flying insects
- Shielded light fixtures

*Submit plans to Metro Development located at 444 S. 5th St.

*Once approved mobile must be brought to the Department of Public Health and Wellness for inspection before operation Monday-Friday between 8 A.M. and 10 A.M. The inspector must be able to verify all necessary fixtures are working properly which includes: hot and cold running water and refrigeration units. Questions please call 574-6650.
